

WADA PROHIBITED SUBSTANCES LIST STATEMENT

Synergy Flavours Ltd. is a medium size company manufacturing flavourings for use in / or on foods, operating in a very competitive industry dominated by large multi-nationals. Our success depends on the success of our valued customers. Synergy Flavours Ltd. products are fully compliant with EU and UK legislation relevant to products used in food industry.

Synergy Flavours Ltd. further understands and appreciate there can be specific requirements by some of our customers who wish to further use our products in pharmaceutical and sports nutrition applications, which therefore can be tested for the presence of substances on the WADA doping list or can be used by athletes undergoing drug testing.

Synergy Flavours Ltd. does not use any of the substances listed on the WADA prohibited list dated 2025.

Please note ethanol and glycerol continue being used on Synergy Flavours Ltd. manufacturing sites.

This information is provided in good faith, and is accurate to the best of our knowledge based on information made available to Synergy Flavours Ltd. It is the end user's responsibility to review suitability for the intended final application.

If any further technical support is required in this regard, please feel free to contact us on suk.regulatory@synergytaste.com, or via your Synergy Flavours Ltd. Account Manager.
